“ Beth

*I am so sorry to hear about your mom
I didn't know until Maxine called me
last night.
I spent so many good times at your home
growing up and will never forget how
loving your mom was to all of us.
We only see each other in passing on
the streets or something now, it seems
but we will always stay best of friends.
You are in my prayers.
I have to work so I can't make the funeral
but I will be thinking of you.*
