“ My thoughts and prayers are with you and your family at this time of your loss. In Mr.O'Neal memory a donation has been given to National Wildlife Federation to adopt sixteen acres to retire from the Wapiti Grazing Allotments. This will help protect Yellowstone wildlife that may wonder out of the park onto this land and let them live and return to the park land in safety. This sixteen acres are in the Gallatin National Forrest. With Mr.O'Neal's love of fishing and hunting this type of program helps keep nature in balance to provide good hunting and fishing for all to enjoy.
