“ *Mr. Lord was one of many men at Glenn Hills who took time with me as a kid. I remember many times going over to their pond to fish as well as swimming in their pool. I'll never forget all the times that they spent with us at church camp when they could have been doing something else. He and Mrs. Lord always loved to spend time at the church with the young people and those times are the ones that meant the most to me. My thoughts and prayers are with the family.*

“ *Captain Lord was a strong officer and I am proud to have served with him. I learned many things by his example. He was a "good fireman" and I think that is the highest compliment one can receive.*
