“ *My thoughts and prayers are with all of you. Lynn always made me smile when I talked to him on the phone about his benefits. He cared deeply about his wife and wanted to make sure that everything that could be taken care of was. I will miss my once a week phone calls. God cares about all of us. He cares about Lynn.*

“ Stacey, I can truly say that I feel your pain, for I too have traveled down this same road, about 40 years ago. However, I can always remember it like it was just today. I prayed for God to Heal my dad. He did.. Not in the way one would expect but.. He gave him a "Ticket" to get on board for a one way ride to Heaven... So you see God heals in misterious ways. Your Dad got that same "Ticket" Stay strong and remember that if God brings you to it...He will bring you through it.May Gods continued Blessings, be upon you and your family.
