“ We all hurt when we loose someone that we love. But there,s nothing greater for a mother to see, than to see her childrens grow up to be sucessful and independent in life. Your mother has accomplished just that. Now her day has come for a much greater joy, that no man or woman can have here on earth. She's happy now for herself and she want her childrens to be happy too. So as time goes on the tears and sadness will disappear for God will strentghen you as days go by, she too will see you all on the other side when the time comes. May God continue to comfort you all during your time of healing.
