“ *to the father of our 15year old daughter Allison Logan Ridgeway. May you rest in peace. You were a wonderful man to know and you surely made me laugh. Thats what attracted me to you. We had some good and bad times but you sure were proud to be there for the birth of Allison. You even cut the cord. I just hope you smile down and see what you have missed. BUT SHE LOVES YOU and I would never take that away from her. Thanks for the memories. Your monkey aka Caren.*
