“ Mrs. Brenda Hadden and Family..I am Regina Whitfield Kekessi and I represent the A. R. Johnson Health Science and Engineering High School Class of 1988 today. I was saddened to hear of John's transition. I last saw him at our 10 yr class reunion, and he was just as much the joker then as he was in high school. He was a wonderful classmate and person. Although he is no longer here in his earthly house, it is a blessing to know he knew our Father and is with Him in paradise! To die in Christ is gain! Know that the spirit of the ARJ Class of 1988 is with you today as we all celebrate the life of our loved one and friend John A. Hadden, Jr. May the Lord cotinue to bless and strengthen you and your extended family during this time. Sincerest Regards....

“ Dear Brenda,  
It has been a long time and I don't know if you remember me. We worked together at Computat. You were a good friend to me there. I am so sorry to learn of the loss of your son. I know that must be a deep, deep loss. My heart goes out to you and my prayers are with you. How wonderful that he is celebrating in heaven right now with the loved ones who went on before him!!! Your memories of him are very touching. Hold them close to your heart and remember the good times always. He lives on in his children and in all the people he touched during his lifetime.  
God bless you. Love, Julie

“ Son, I am grieved to no longer have lunch with you or see your smiling face, your quirky comments, our visits in the rocking chair, shopping trips to Walmart, the complements you would give me, the long conversations of memories of your dad, your kind words and confessions good and bad. I know the pain you felt. I saw the love you had for Trey and Mitchell, the happiness you found with a lost love and friend and the joy you shared knowing her family. Savannah Grace keeps asking can I go to uncle Johnny's now. Your neices and nephews will always remember John's playhouse and the love you had for them all. You and your daddy can share memories of your fishing and hunting trips once again. Most of all the assurance you gave me of your salvation and now you must truly know The fathers forgiveness, promises, and unconditional love. Rest in peace my beautiful son and one day we will together rock and praise God for our new bodies free of pain and no more tears of sadness and the best joy ever gained. Kiss dad for me. Know I will never forget you and love you always.
