“ My sweet Courtney .... I still find it hard to process your being gone and in the very presence of God .... We had so much fun and no one has ever made me laugh as much as you did. (Of course I usually 'got the joke' much too late to reply ... Your dry wit kept me on my toes). I am really going to miss you so much!

“ We had some good times working at Whittman-Hart and you were always a key team player when it came to figuring out customer's tough technical problems. That was long ago but you will still be missed my friend.

“ Am so sorry to hear of Courtney's passing. I was only part of AAG for about 9 mos due to relocation, but he made me feel welcome right away. He always wanted me to stay later than I did and came to my going-away party. I pray for his family, esp. his children, his close friends and AAG's loss. God bless, Maria
