“ Stan, Donna, Ryan and April:

I have always appreciated being a part of your entire family.

Stan, your parents always made me feel welcome in their home; especially during the Holiday gatherings.

Getting to know your dad and teaching him how to fly was a wonderful experience and one I will always remember.

I know his absence will create a void in your closely knit family but I am sure you find peace in knowing he is in a much better place.

I am honored to be a pall bearer and appreciate the opportunity to pay my last respects to a very kind, intelligent, compassionate father, father-in-law, grandfather and great grandfather.

“ *Lib, I was shocked when I read my paper today and saw Mickey's name. I tried to call and didn't get an answer. You know how much Mickey meant to me. He was always there for me when I needed a friend. I am so saddened that he's gone. I won't be able to come to the funeral. I am presently on my way to Canada for a 10 day horse packing trip. My thoughts and prayers will be with you and the rest of the family.*
