“ Sandy, Shannon and Jay we are so sorry to here of Bradley's death. Our hearts and sympathies go out to you. So many memories of our military days together flashes through our minds as some of the most wonderful times of our lives. It' hard to believe our friendship began over 40 years ago. The feelings of being family are as strong now as it was then. Our lives may have went in different directions but the love established then is as strong now as it was in the beginning. His smile, his laughter and love for you, his family, is what we remember most. Grieve as you must but remember his love for you and all the years God allowed you to have together. Frank & Joan Mims
