“ To the Family, Friends and Loved Ones of Elsie ~
Our hearts are so deeply saddened in the loss of this very special lady!
Words convey so little when hearts feel so much during this time of sorrow and grief, but take heart. Elsie will remain forever in the hearts of those of us who knew and loved her. She is now more alive than ever before. She is alive Forevermore, in greater health and vitality and joy than any of us here on this earth has ever known. The greatest comfort we have in this time of loss is in knowing that death does not have the last word....Jesus does. We will see you again, Elsie, in Heaven. Until then, we will miss you!

'I thank my God for every remembrance of you' Phil 1:3
