- SA** “ Good morning! The Braves had the best season in baseball this year. They lost in the playoffs and didn't make it to the World Series. I miss you so much. After all these years I still have very sad days. This is one of them. I wish we could go to the Cracker Barrel. I haven't been since you have been gone. I gotta go right now. Talk later

- SI** “ The last time I tried to comment, I wasn't able to. I assumed it was because I just couldn't any more. Maybe, you could only post on here for a certain amount of time. Goodness, let's see, heck it has been so long.....I miss you so much. President Knucklehead is destroying the country that you fought so hard for. I am so sorry about that. I keep bashing him on FB, (you know, that WWW thing you always wanted me to look up stuff on), but they keep putting me in FB jail. That's kind of like time out for children. Oh!!! The Braves won the World Series in 2021. Gas is over \$4 a gallon now. I would have told you exactly how much, like \$4.17 or \$4.22.....but the cents part changes too often to really tell you what it might be right this minute. Yeah, I know you're laughing cuz you drive 35 mph, so you get much better mileage than me. Again, I wish I had known I could still write on here. I will keep in touch. I love you!

- SA** It has been I while since I talked to you because someone reached out to me to see if I need professional help. I don't, I just like telling you things. I am not crazy. I moved back to the country (Burke county). Nothing really left for me in Augusta. I could surely use you. I bought a used Van. It was a bargain and came in handy when I moved. But heck I have spent a ton of money on repairs. Replaced power steering, radiator, alternator, brakes...eh...twice. went to super cheap place first time. They didn't last a year. The Braves are doing very well again this year. Oh! You would love where I live now. Deer come in the front yard almost every night. I will talk to you soon. I love you so much.

- SI** “ 1346 days on July 5, 2017. Goodness, came over yesterday morning and pulled a weed up that came from nowhere overnight and was attacked by ants. Gonna call Hillcrest today to get them taken care of and off of you and Mom. Didn't have BBQ yesterday, but I wore one of your flag shirts.

- SI** “ Goober, today is 5/10/2017, day 1282 since you left me. I am having a really bad morning. Can't seem to stop crying. I don't really know what to do without you. I come see you twice a day. I keep you cleaned up and I bring flowers but people keep taking them. I don't really seem to be able to cope without you. The brakes went out on my car and Jimmy did fix them for me. He didn't drop everything and do them immediately like you would have, but HEY....he did them! I can't seem to be able to get into watching the Braves anymore. Oh, goodness, please help me. Give me strength.

- SI** “ Hi Goober,
A very dear friend of mine from work who thinks the sun rises and sets in her dad lost him yesterday. I don't really know what to say to her, because I still miss and think about you all the time. It has been 897 days today and well, I guess you know I just wake up every day and add one and just move, that's all, just move.
Sissy - April 13, 2016 at 07:24 PM
- SI** “ Oh Lord....Goober, I love you so much.

- SA** “ Jeanie it is never easy to loose family, but not many people get to enjoy a person for 90 years. You will go on with so many happy memories of Goober.

- RM** “ We wanted to send our condolences to Goober's family. We too, know the feeling of loss. It is never easy to have part with our loved ones. The world can seem like a very cold and difficult place. After every rain storm though, there is sun light. Our Creator provides us with a beautiful promise at Revelation 21:3,4. He promises us of a time when the distresses of this world will be a thing of past. We hope that those verses will bring you comfort and hope.
