“Peggy was a delight to know and exchange conversations with at Cantrell's Corner or around Blythe. Although we moved from Blythe to Evans, I stopped from time to time at the "Corner" in order to order good food and enjoy a visit with her. I shall miss her bright smile and friendly nature. She is now without a doubt in a much more peaceful place. My most sincere condolences to all family members and friends. You remain in my thoughts, in my heart and in my prayers along with Peggy. Love, "Mickey"
