“ Angel, I didn't send a card to you, wasn't sure of your address. It was so good to see you, you look wonderful. And Parker is an absolute doll! What a shame it took this for us to get together-huh? I hope you already know how much your mom meant to us. You already know she was a very special lady. Gene and I started reminiscing about the past years and I guess we were more like sisters. She taught me so much. And she was so much fun to be around. I really missed her when we moved from Mt. Vernon. But I knew she was always there if I needed her (and I was there for her too) She loved you so very much. And I learned from that love, too, when we had Ashlee and Courtney. It's so hard to believe she's gone-but she didn't deserve any suffering, only to be in Gods loving arms. We will all be joined together again, and I can't wait to see her. We will keep you all in our prayers! We love you, too! Gene and Barbara
