“ I am very sad to learn that Charlotte passed away. I was a teacher at National Hills school during the time that Charlotte worked there. She was always so pleasant and uplifting to be around. I enjoyed many of her crafts. She will be greatly missed by family and friends.

“ Roy,  
I was so saddened to see Charlotte's obituary in the paper today. My prayers go out to you and all of your family. Over the past few months, I had been wondering about how everyone was doing, and I let other things get in the way and missed calling. I so enjoyed working the craft fairs with her a few years back. She was a remarkable woman. May God be with you and your family always.
