“ To Live in the Hearts of those we leave behind is NOT to Die. Ray was my brother can't hardly remember him not being in the family. His jokes and humorous personality will be greatly missed. His love and compassion for all animals (except spiders) LOL was big as his heart. He was so multi talented and he didn't waste any of them, God blessed him with so much knowledge and talents. You and the kids had a great life with Ray and he loved his family more than life itself. Memories are just a thought away and Ray will be in ours and yours until we all meet again in Heaven with all those precious souls that's gone on before us. Bonnie your welcome to come stay with us anytime you want and I'll pamper you (just don't make me squat down). My sister flesh and blood I love you so much and cannot undo your pain and suffering but I can offer you prayers,comfort, support and a get away any time you wish. Hugs Nellie and Thomas Adams

“ I know that everyone that reads this will agree that Heaven is getting one of the best men that still lived on this earth. Ray Ray is a great inspiration to everyone that ever met him. Bonnie and Selina, I will continue to pray for your comfort because your loss is great. However, Ray would not want you to suffer and continue on the exile path with grace until you get to be with him, with our Lord.

I love you Ray Ray and already missing you.
