“ My mom worked with Patsy at Mama Mia's a very long time ago and she wanted me to make sure I came on here and signed the guest book. She said even way back then Patsy was still one of the most kindest, generous women. My mom's name is Brenda Harman, now Smith. I also became acquainted with Patsy when she visited our church over the holidays as a guest and spoke of her ministry. My husband and I also took our youth group to her house one year to donate some things and she spoke to them about how important it was to serve. She was a wonderful lady and a true servant of the Lord.
