“ *It is a very sad day. My heart aches. Dwayne was a wonderful, caring brother-in-law whom I love dearly and will miss so very much. I will never forget the good times shared with him and the way he laughed. He was a very special person whom I was so fortunate to have met and become part of his family. I know that Dwayne and Teresa were looking down and were so proud of their son. Steven you did a wonderful job memorializing your father.*

“ *My heart is broken! I remember Dwayne saying "keep your chin up", "sometimes when you love someone, you have to let them go", and "see ya later, kid".*

May Dwayne's family feel some solace in providing such a respectful, classy, uplifting, and humorous Celebration of Life for Dwayne! The words from Steven and Fran were perfect - touching and funny. I know Dwayne was smiling down & proud. And the props were the best!

Dwayne, "See ya later, Kid!" Love, Jenny
