“ Thinking of and praying for your family Robbie and Diane. I didn't know your mom Robbie, but I've come to know you over the many years since highschool and I know she must have been an amazing Woman to have raised such a wonderful son. We all know she's singing and rejoicing in heaven along with your dad, my dad, and many many more we all loved. Its the good days and all they taught us that helps us to continue on. God bless your family
