“ Ms Vivian was a wonderful friend and neighbor of our family for over 50yrs. Since my Mother's death in 1979 she has been a "very special Mother" to us. Her sweet spirit and loving kindness was evidence of her deep faith in the Lord and she gave freely of herself to those who needed her help. It was our privilege and our pleasure to know her and to be part of her life. Her passing left behind undeniable finger prints on our hearts and a legacy of memories that we will treasure. We, like many others, loved her dearly.

“ Charlie,

We are so very sorry for the loss of your mother. Please know that you are in our thoughts and prayers. We pray that the Lord will wrap you in His loving arms and carry you and your brother through this difficult time. A mother's love is so special and she will live on in your heart forever. Take care of yourself and know that you have a lot of friends to help you through this.
