“ On behalf of the staff of the Swainsboro-Emanuel County Parks and Recreation Department we would like to offer our condolences. Josh was part of a trio that included Shawn and Frank. Every week for the last few years they would visit our gymnasium to play basketball. They would always stop by our offices to say hello. We got to know them and enjoyed their visits. Josh would walk in to my office and in a loud voice say...Hello Mr. Tony. When Josh would leave he would always shake my hand and give me a hug. While I understand Josh and the other guys had challenges in their lives, they were always smiling and would brighten our days. We will miss Josh visiting us. Our prayers are with the family.
