“ Anna, Ladybug, so sorry for your loss. We know how close you and Josh were. This seems so surreal. I am truly very lost for words, just know that we love you so very much and will always be here for you. Love you baby girl!

“ R.I.P. to my dear Nephew, Joshua.

I will always remember coming to get you and how excited you were to head "North" to Michigan and being called a "Northern Stump Jumper".

Your enthusiasm for life, your tenacious gift of survival, your protective abilities towards Anna and your love for the outdoors resonated in your personality.

The look on your face as you held your daughter showed the love you held for her and all of your family.

I will miss you with all of my heart. More than can be expressed in words.

You were and will always be a special person to many.

I love and miss you.
