“ *Lilly, so very sorry for your loss. David was so special and Frank would've loved to have seen him again. We are in Lynchburg, VA now so we didn't know about it. Keeping you and the family in prayer. May He cover you with peace and precious memories...*

“ *Lily, I was so sorry about your brother. Sounds like he had a busy life and he loved the Lord. I didn't realize that Cheri and her husband were also deceased. Some how I missed that in the paper, if it was local. As christians, we know that your brother is in heaven with his Lord. I think often about the people I had the privilege of working together at Bankers First, especially since we were there over 20 years. Will be remembering you and your family in my prayers. I lost my 42 year old daughter to cancer in 2007 and I have managed to keep going by remembering the good memories of her and the years we did have together. I'm sure you probably have many good memories. Take care of yourself. Sincerely, Frances*
