“ Please accept my deepest sympathy for the loss of your loved one, David. May you find comfort in the words written at John 6:40, where God promises to bring back to life those we have lost in death by means of a resurrection. In the future He will also completely eliminate our enemy, death. (Revelation 21:4) This gives us the wonderful hope of being reunited with our loved ones, forever. Until then, I hope the memories of David and these promises from God comfort you in the days to come.
