“ Polly's Family,

To know Polly was to Love her. She was one of the dearest, sweetest and most genuinely authentic Ladies, we have known. Polly was totally unpretentious, yet she carried herself with beautiful grace and dignity.

We met Polly and saw Polly various times in here in Houston. We also traveled with her and Lydia in California. It was always a delightful blessing to be with her.

We must share our Love and support with Polly's family,
