“ I was so sorry to read of Allen's death. I,too, worked at the plant in Employee Relations & knew Allen for many years. I always thought of Allen as such a nice person & I am so sorry for your loss. I lost my husband in 2007, so I truly know what you are experiencing at this time. My prayers are with all of the family & just remember that you will see him again one day for eternity. Keep his memories close to your hearts & it'll help you through the tough times ahead. Praying God will grant you peace as you grieve for your loved one. I also knew his Mom from Bayvale Baptist Church as my husband's mother, Marie Rogers was a close friend of Mrs. Hopkins and we went there for a while.

“ Sad to hear of the death of Allen. Did not know him that close but worshiped together at Bayvale Baptist Church as youth. Time takes us in many directions, but the good memories of our past linger and resurface when a friend dies. May God be with each of you and comfort your spirit in your time of grief.
