“ *Mrs. Billings was a patient at an office I worked at over 22 years ago. She was a nice lady. Always had a great smile and friendly things to say. Another angel in heaven.*

“ *To The Family of Faith Billings,*

It is with great sorrow that we extend our sympathy to the entire family of Mrs. Faith Billings. Her daughter, Debbie, has worked for Dr. Shaller for 23 years and we are especially sad for her loss. We never had the opportunity to meet Ms. Billings but know she was a special lady from Debbie's love and adoration she expressed through the years. We wish you all the comfort of memories, the love shared, and the healing of God's hand. Rest in Peace, Mrs. Billings

“ Dear Jakubov and Billing's Families,
I am sending my love to all of you today. My heart is sad that Faith is no longer with us. But am so happy she is with the Lord today and seeing her family once again. I enjoyed being with Aunt Faith when she came to Minnesota. We laughed a lot. She like to laugh. The last time Faith came to see her sister, (my mom, Dorothy Lee) it was comical to see. Bantering back and forth, laughing, talking for hours and just enjoying each others company. I can hear Dorothy tell the nurse she did not want to take her medication and Faith would tell Dorothy to hush up and take your medication. Then they would laugh. They had such a special sister bond. Loved seeing that. When Faith stayed with me, I took her to our grocery store to get some deli takeout. She could not believe all the great choices of salads and pastas. She picked out a pasta tray with 4 different pastas of her choice. She loved going there and enjoyed every minute of it.
I miss Aunt Faith; and will miss her until I see her again. My thoughts and prayers are with you all. It is very hard to lose your mother. But remember the good times. The times you laughed. She will always be in your heart.
Love, Lois Rausch (Lee)
