

Sandra Faye Cato

October 16, 2018

Augusta GA - Sandra Faye Cato, 70, entered into rest Saturday, October 13, 2018, at University Hospital Summerville.

Graveside services will be held Wednesday, October 17, 2018, at 11:00 AM from Hillcrest Memorial Park.

Family and friends are asked to assemble at the graveside.

Ms. Cato, daughter of the late Charles Willis and Regina Holton Willis, retired from Kellogg's as a packer. She was open and loving, a mom to all who met her. She had a wicked sense of humor and opened her heart and home to so many over the years. She had this way of listening to your problems, then boldly giving whatever advice she felt you needed. She unabashedly spoke her mind, and could determine a person's character in mere minutes.

She was strong and stubborn. She withstood many trials and tribulations, but she never let that stop her from helping the wounded hearts of her friends and family. She showed her love the best way that she knew how. She is missed.

She is survived by her daughter, Kristen Warnock-England (Michael), of Augusta; her grandchildren, Charles Smith, Kieron Smith, Natasha Smith, Char'Kavious Mack, and Mikayla Smith; her nephew, Brandon Fraraccio, of Augusta; her great niece, Lily Fraraccio, of Augusta; and her sister, Charlotte Williams (Dale), of Augusta.

The family will receive friends Tuesday, October 16, 2018, from 5:00 until 7:00 PM Tuesday, October 16, 2018, at the funeral home.
