“ Donna was the oldest of the cousins I spent some time with just about every summer from the age of 6 to 12 or 13. She was the same age as my older brother, just a few weeks younger than him, he never let her forget that.... As the oldest she was the boss to us younger kids, but never bossy, not really. I do remember almost breaking her nose one day at the pool. She came up behind me right as I was pushing off the side....back stroke??? My elbow of course connected with her nose. I dont remember it actually broke. Some ice took care of it. Lots of memories of family gatherings and catching up with our lives. Some cousinly advice for her dads memorial when her mom was being her socially correct self.....the last time I saw her was over a year ago at our cousin Susies for some family heirlooms. Rest in peace dear cousin. I will miss you. Until we meet up Yonder!

“ *My heart is broken as I'm writing this tribute to remember a dear friend and former neighbor Donna. I met Donna during the worst time of my life. (1999) Donna was one of a kind and helped me raise my sons. She was a real friend and a kind and loving person. She and Mike moved and we loss touch but she will always have a very special place in my heart! RIP Dear I'm so sorry that you are gone.* 💔💔💔😭😞😞

“ *Donna was such a sweet woman, she loved her son with every ounce of her being and was such a great supporter of what we did at the restaurant together. I will miss her wit and her lovely personality.*
