“ Alma,
I will miss you! Thank you all of the times you helped me in school by typing my papers. You were like a second mother to me and I will always be grateful. I know I left home to explore the world but my memories of growing up in Augusta with my family, you , Stephanie and Stacie who are like sisters to me are still vivid in my mind.

I know that you and my mother are now watching over us.

*Love you,
Shelby*

“ Aunt Alma was my partner in our neighborhood watch, if I saw something I would call and let her know and she did the same for me. Not only strange vehicles, people, but animals too.....So sorry for the loss! She will be missed by many, especially her family. You all are in my thoughts and prayers!
