“ My brother, Leon Mayberry (Pensacola) and sister, Louise Taylor (Bon Secour) were fortunate enough to be able to travel to Augusta to spend a little time with Aunt Margaret not long ago and it was such a special visit and loving time. We shared family histories, stories and the love the family shared for each other. My father, Thomas James Mayberry (Foley), Margaret's brother passed away several years ago leaving Margaret as the sole surviving sibling. While we didn't spend as much time with Aunt Margaret as life and distances from each other got in the way, we felt the good, the love for her direct family and her extended family and what a wonderful person she was during the recent visit. Rest in peace and God bless you and all of the family and out condolences go out to you all. We love you all.
