“ Carol and I worked together at Greenbrier H.S. She was a caring and compassionate person who treated our students with the utmost care and respect. She was a self starter who didn't need to be told what to do. She loved her student family and her family at home. I had the pleasure of meeting her mother before she passed. Carol and her sister, Gail, loved their parents and the life they led in Augusta. I know that she and Gail doted on and missed her mother so when she passed. I am sure Carol has been joyously reunited with her and her father. I also know that Carol no longer suffers in this life. I pray that her family and friends will be comforted in their time of grievous loss. R.I.P. Carol
