“ To the Ready Family,

I was so sad to read of June's passing. She was such a sweet soul. She was always so nice to me when we use to hang around together when we were all much younger. I know you all are sad but she is now reunited with her loving husband Spencer. Heaven has gained an angel and she and Spencer are now looking down on you all. Please know that I am praying for your whole family to get through this very sad time
