“ I worked with Donna at Curtis Baptist School. I am so grateful for our time together! She truly helped me as a teacher and friend. I will always remember her counseling talent. She would tell students to have good friends, you must be a good friend. She had a talent for impacting how you thought about a situation and then how to improve that situation. Sending love in her memory.

“ My condolences to all of Donna's family; you are in my prayers during this time and the coming days, weeks, and months. The loss of a mother is something that doesn't go away quickly. I knew Donna from Calvary, from Curtis Baptist School and as a friend. She was truly a loving person and a pleasure to always be around. She loved serving the Lord and she will truly be missed here on earth by all who knew her.

“ Donna was an excellent person in many ways. She worked hard to acquire her education and musical skills and then poured her heart into her work. She used her work and talents to bring out the best in others, and to bring glory to Jesus. Someone said that Donna could get music out of a group of singers that were high on desire and low on ability. She encouraged every person that wanted to share a song, to participate when she would have fifth Sunday night sings. Margaret Fort(maiden name) so blessed me on one of those nights by singing "What a Day that Will Be." Donna has experienced that day!
