“ *Praying for you DeLora. There are no words that I could speak that would make you feel any better, my heart breaks for anyone to lose a family member much less a child. I am here if there is anything I can do. I am just a few hills away. Love you bunches.*

“ 😭 😊 I can't stop crying and I can't give up on myself about being strong. I know he is in peace and he is up there with God. I prayed since last Wednesday noontime, and God revealed to me the peace and where he is rested at and it's above us. Except some really fast Motorcycles no pavement just pearly platinum signs and diamond reflectors on those streets of Gold God refines for the most speechless smoothest ride possible. I am praying for his mother and father and family maybe the Frog Hole will start a Corn Hole tournament this time every year I'd host it he was more than just my best friend but he was my Brother. Brother in Christ the last two months about once a week we had Bible study on Facebook video, great times talking about the book of Ruth, James, Ezekiel, Job, John, and proverbs. I'm glad he knew his worldly father but even more his creator, his Heavenly Father. Love you brother.
