“ To Elaine and children: I am very sorry I did not make it today see
any of you as I was out of town when I found out Willie had passed.
I came home very sick on Wednesday and after the DR appts, I
have not been out of the house. I am having trouble breathing and
they are checking to see what might be wrong. My Thoughts and
Prayers have been with all of you at this time. I Love all of you and
Pray for Peace and Comfort to know he is in Heaven with no more
pain.

“ One of my most cherish experiences working for the Tennessee
Valley Authority was my time spent working side-by-side with David
Forster. Being coworkers quickly evolved into a wonderful and
significant friendship. I have had the privileged opportunity to meet
David's parents. I also had the occasion to spend time in a dove
field with Mr. Forster, David, and Ryley. I know this is a very special
family and I am honored to know them. Our thoughts and prayers
are with you.
