“ It's been more than fifty years since I had the privilege of talking with or even seeing Mike. With the way in which time changes us physically, I wonder if he and I passed somewhere along the way and did not even recognize the other. However, he was a good friend throughout our school years.
I am so sorry for your great loss. In this present time of mourning, please know, even from a distance, your loved-one, Mike Goodgame, is remembered as a trusted friend.
May the precious and faithful God of all times and eras give you, Mike's family, peace during this very difficult time.
