“ I am so sorry to hear about Doma Jean we lived next door to each other in Waynesboro at a early age. We went to school every day and had to walk. We have remained close ever since. We have been talking once or twice a week since I loss my son in 2003. I loved her like a sister. Some times more than twice a day.
Please give my love to her family and treating me like family.
RIP my dear friend I already miss you
