“ Billy, Nola and Linda I was devastated by your loss of such a beautiful woman. She taught me to eat cottage cheese and shared her love of birds which I carry with me today. I'll miss her Halloween popcorn I looked forward to every year. It was such a treat for me. The good people of this world are leaving, and we are not far behind.

My ove and prayers to such fine neighbors and childhood friends.

“ Although I have been away for many years, Mrs Ruth has always had a place in my heart. We spent many a Friday night eating her delicious pizza and playing cards. She was a kind soul and will be missed dearly. Billy, Nola and Linda, take comfort that Ruth is in a better place.
