“ *Met Dowe 44 years ago when we both worked at McDonalds downtown. Worked hard but had a blast because Dowe was so easy going and fun. Though life took us in separate directions I never forgot him and those good times. My condolences!*

“ *Sending my deepest condolences to the family. They lost a friend, father, and grandfather. My heart is so heavy words can not describe how to express that someone I know like Dowe has passed away. There is nothing he would not do for no one even giving you the last of everything he had. Fly high my friend rest on and be at piece watching over your loved ones*
