“ *Travis..I am heartbroken to learn of David's passing. He was a wonderful, beautiful person. I was his client for 28 years and also considered him a dear friend. He was loved by so many, and I pray you will find strength each day as you grieve.*

“ *I'm sad to learn of his passing. Although I didn't get to know him well I always looked forward to seeing him at the salon, he was always smiling and had a very upbeat friendly personality.He enjoyed reading while waiting on his next client and spoke to people as though he knew them for years even though he just met them. My sincere condolences to Travis and his extended family and his dearest friends.*

“ *Sending love and prayers to David's family. I was a client of David's since the 80s (Glemby Salon), and was so proud to call him friend. Such a kind, caring, and compassionate man, not to mention a very talented hair stylist. He will be missed by so many. I will always remember him fondly. Hoping his family finds peace, knowing he was loved and respected by so many.*

“ David was a wonderful and good man. Our hearts are broken because of his passing. We are better people for having him in our lives as a friend. Our prayers are with Travis. David is probably fixing hair right now in heaven.

“ Travis I am beyond sad about David's passing. He was such a wonderful person. I taught him many years ago and he did my hair for some years. My heart hurts for you in your loss and my heart hurt for his leaving us way too soon. May God give you comfort and hold you in his hands as you go through the coming days.
