“ Exactly how grandma was A Grandmother is a special gift,
Received from God above. He starts out with tenderness, Then
adds an abundance of love.

*She enjoys when you sit on her lap, To play peek-a-boo. Your voice
is music to her ears, She'll do anything f*

*She gives you treats, Even lets you sleep in her bed. And when you
leave her house, You are more than well fed.*

*She is always willing to listen, To what you have to say. She knows
how to make you smile, And will never stand in your way.*

*She has tremendous faith in you, She just has that special touch.
It's no wonder then Grandma, Why you are loved so much!*
