“ I respected John in his Lions life and enjoyed his company at district and state events. I will never forget visiting him and his club as District Governor when they made me bob for apples to earn my dinner. He was a great Lion leader and will surely be missed.

“ Jon was a dedicated, loyal member of Lions Clubs International and believed in the purposes of the Association. He was very active at the state and local levels. He was one, who could be depended upon and one who did the right thing when solving an issue. Jon was a friend to many and always willing to lend a helping hand. He will be missed by all of us. My deepest sympathy to Jon's family.
