“ To the families of Ginger and Lee,
I am at a loss for words but would like to somehow convey my
deepest sympathy.

*I've known Ginger since she was born. Our paths kept crossing as
our families were also friends and church family at Calvary Baptist
Church. Then Ginger and I both worked for Richmond County
Schools and our paths would cross there. She is among the
sweetest of God's children.*

*Although we have not been in touch very often since retirement, I
am already missing her. But I know she is with Jesus and her
precious Jerry.*

My Deepest Sympathy,
