“ *My deepest and heartfelt sympathy goes out to all of Rennie's family. She was so special to me, in so many ways, beyond being cousins. Rennie was the kindest, sweetest, more caring and generous person I have ever known, and my heart is breaking over her passing. We shared the same birthday, which made our bond even closer, as we would call each other on the same day, to wish "us" a happy birthday, and always exchange birthday cards. I will love and miss her beyond words, and to all of her family, please know that you will be in my thoughts, and in my prayers, during this very sad time for us all.*

“ I will always love you my very special and loving big sister. My sister whom I could always go to, rely on, count on to be there in time of need or just having someone to talk and laugh and share our new and old stories with. We could even talk for hours about nothing. You and Cynthia are the best sisters anyone could ever wish for and I will always love you. Until we meet again in heaven, you are always in my heart love Joyce and David

“ My Beautiful Aunt Rennie,

Memories of my childhood consist of your house, Playing babies, Holidays at your house, picking pecans, your amazing crafting skills, birthday card with pictures of me on them, all the beautiful cakes you made me. Lets not forget the timeout babies you made. So much laughter and so so many memories. I am so blessed to have had a aunt like you. I know without a doubt you are in heaven with granny, finally getting to see her and catching up. You will forever hold a special place in my heart! I love you so so much!
