“ *I've never met her in life but she seems to have a beautiful smile that people around her make comfortable.
May her soul rest in peace.*

“ *I was so sadden when I learned of Mrs. Kitchens passing. She was a beautiful person, I enjoy listening to her to about her country and family. I'm so glad our paths crossed. She taught me the craft of knitting while she was a resident at unit 4. I'm truly going to miss her. Rest in peace Ms. Rula. This is what she told her peers and the staff to call her. Our condolences to her entire family here and abroad.*
