“ It was a total shock when I heard on the news of the accident that neither of them had survived.
I was so sadden by the passing of mr. Jamie and Mrs. Betty, but the good lord new that mr. Jamie could not survive without (his) Betty. Jamie was my boss when I worked at Ga.DOT and Mrs. Betty was working for MCG at the time.he was a great boss and I had a-good relationship with Jamie and Betty. I attended Jamie and Betty's fifty wedding anniversary at hillcrest baptist church.
I am not sure if Pete or Julie remember me but I remember them. Pete lived in Milledgeville at the time. He also has a little boy with fire-engine red hair. Cute as a button.
Julie left a candle burning on the night stand when she left to go to school and it caught the room on fire. Jamie had to have the room repaired.

“ Jamie was my boss at Ga. DOT and I also came to their fifty wedding anniversary at hillcrest baptist church. It was a total shock when I heard of the wreck that claimed their lives.

I would have been present when they had their service but I had fallen and broken my hip and was in bed for approximately three to four weeks with a bad break to the bone at the end of my spine. I was bed-ridden for and I am still nursing the bones in the lower back.

I am so sorry about the Golden's but Jamie could not function without miss Betty, or she without him. I loved them dearly and will miss them.

“ Betty was my Director of Nursing while I was at MCG many years ago. And as someone mentioned, always so approachable and willing to share her expertise. I won't go into detail and it won't make much sense to anyone but during a particularly trying day she told me to "set the stage". Almost 40 years later and I still remember that day and her wise words make me smile. And I still remember to "set the stage". She was a special person to many of us.

“ I had only known Jamie and Betty for eighteen months while serving as interim worship leader at Hillcrest. But in many capacities, esp the Food Pantry, I had come to love and appreciate their dedication to anything they were involved in. Faithful servants whom the Lord welcomed as, "Well done thou good and faithful servants". God bless the family and friends as we all greave the loss of this wonderful couple. I have been blessed to have know them, if only for a short period of time.

We worked hard to accomplish goals, but we were also family. I will always have a special place in my heart for her. Prayers for all of her family. I hope you will be able to find peace.
