“ *To Mike Ford's family:  
We are saddened to learn of Mike's passing. He was a great guy (and your Mom was a wonderful person, too). We had become friends at Seaside Villas. We hope the warm and loving memories of your Dad will comfort you through this difficult time.  
Sincerely, Tom Vicario and Suzie Ritter*

“ *Michael Ford and I have known each other since grammar school. We played Little League Baseball together, and more. All of us growing up, in Aiken, were close and respectful. After graduating from High School we were shot out of a cannon like those in a circus act!! Every which way! We became close again these last 10 years. We loved each other, in a brotherly way. He was the kind of man that would do anything for you. All of us who cared and loved Michael Dean Ford will forever miss his calls, his legitimate fondness for everything his friends cared about. A true friend! God bless his family, and all of us who are having to let go, and share his loss. We are here to celebrate, amongst you, his life and so much more.*
