“ *Ronnie and Gloria Jean I am so very sorry about April. I didn't know her well but Mike does and he thought the world of her. I wish there were words that I could offer for comfort and peace but I think Jesus could provide better than me. Just know we love ya'll. Will be praying for that peace only GOD can give. 🧡*

“ I don't know where to start. They broke the mole when they made you. You were beautiful inside and out. We had a lot of good times and you help me through some bad time. We had a lot of laughs especially that time on the way home from Myrtle Beach when the guys thought we were mad at one another and we were just laughing. We finally had to tell them when we got back to Augusta Georgia that we were just kidding that was just one. We had a lot of laughs I will miss you knowing that you're not here it was my honor to have known you and have you in a part of my life. I know you up in heaven and no pain and smiling down on us but it's going to be so hard I've been crying since I heard the news that you have passed but when I think about the good times I can't help but laugh I will miss you girl fly high I know you are. love you. Oh yeah and the time the car got stolen that was a memory I won't never forget. I could go on and on we had a lot of good times.
