“ Jack (and family) - Sorry to hear of your mother's passing. Been many years since the two of us were in school together (Butler High Class of '80), but we lost our mother in 2016 and I know it is hard to let them go in this life. I did have an opportunity to actually meet and talk with your Mom and Dad when we all, by chance, were waiting in a dentist office in Evans one day back in 2019 and I recognized your Dad sitting right across from me. I had a great time talking with your Mom and Dad that day (I explained that you and I had gone to school together many years ago) about our early days at Rollins and Sego and your father's days on the Richmond County BOE. My prayers for ALL your family during these days. Earl Cagle, Augusta, GA
